REPORTS

TOWN MANAGER

Mrs. Lewis reported that the Virginia Department of Transportation will be coming through town in the near future to freshen up parking lines and lines at the crosswalks.

Mrs. Lewis congratulated the Washington and Lee High School basketball team for making it to the state championship. They didn't win, but they fought hard. It was great to see the support from town businesses and residents. People decorated with blue and gold, stood out by the streets as the team went by, and the stands at the game were packed with people from all over the Northern Neck.

OLD BUSINESS

Mayor Cosgrove stated that Mrs. Lewis provided Council with three sanitation bids – Doggett Disposal Systems, American Hauling Services, and Republic Waste Services. After review and discussion of the bids, Mr. King, seconded by Mr. Watson, made a motion to accept the bid from Doggett Disposal Systems, Inc., and enter into a contract with them. Mayor Cosgrove asked for a roll call vote: Mr. Greene, aye; Mr. Barker, aye; Mrs. Wittman, aye; Mrs. Carlson, aye; Mr. Watson, aye; Mr. King, aye. The motion unanimously carried.

NEW BUSINESS

Mayor Cosgrove stated that last year the town had paid for and installed three vertical pedestrian crosswalk signs. All three signs were ultimately crushed by vehicles. Mrs. Lewis stated that the town got the signs with the safety grant. Mayor Cosgrove asked Council if they would like to continue with the safety feature. Mr. King stated that he sees the same signs when he's traveling, and they are banged up. Mrs. Carlson stated that she didn't think the sign on the corner was placed where it would help. Mrs. Wittman stated that the pedestrian sign at the post office caused some issues, and she could see why it got hit. She stated on the flip side of that it does make you slow down. Mayor Cosgrove stated that one of the things we are working on to hopefully solve the business district problem of crosswalks and speed would be to install speed flashers possibly near Blue Ridge Bank and maybe at the bottom of the hill coming into town. He stated that Port Royal has them. Mayor Cosgrove stated he was making an attempt to fit that into some potential tourism grant money. Mr. King stated that he thought the flashing speed signs would be a big help. Mr. Watson stated he thought the flashing speed signs would be more effective. Mr. Greene stated that some places have an "event" sign when they have a big event. He said he thought VDOT put that up. Mayor Cosgrove stated that the town purchased a speed cart several years ago and gave it to the Sheriff's Office. He stated it is effective. After more discussion, it was decided to table the issue.

Mayor Cosgrove stated that George Runkle's term on the Planning Commission would expire on May 30, 2022, and that Mr. Runkle has agreed to serve another term. Mr. King, seconded by Mrs. Carlson, made a motion to re-appoint Mr. Runkle to the Planning Commission. The motion unanimously carried.
